We will attempt to place you in an apartment with a person(s) who has completed this same form; however, we may assign you a bed space within an apartment where no person has completed this form. We cannot possibly know all of your or your prospective roommate(s) behavioral traits or environmental preferences, and make no warranties regarding such. The landlord and Kuester Real Estate Services, Inc. are not responsible for new, amended, or false roommate matching information or preferences provided by you or prospective roommates. We reserve the right to transfer, assign, and consolidate bed spaces at any time - regardless of personal profile / environmental preference match compatibility.
